## **OFFER TO PURCHASE THE OUTSTANDING 7.25% SENIOR NOTES DUE 2021 (ISIN: XS1756727290, COMMON CODE: 175672729)**

### **BACKGROUND**

On 25 January 2018, the Company issued an aggregate principal amount of U.S.\$250,000,000 7.25% Senior Notes due 2021 (the “Notes”) (ISIN: XS1756727290, Common Code: 175672729). The Notes are guaranteed by certain of the Company’s existing subsidiaries and are listed on Singapore Exchange Securities Trading Limited. As at the date of this announcement, U.S.\$207,100,000 of the Notes remains outstanding.

## **OFFER TO PURCHASE OF THE NOTES**

On 2 September 2020, the Company commenced the Offer with respect to the outstanding Notes in accordance with the terms and conditions set out in the Offer to Purchase.

## **TENDER INSTRUCTIONS**

In order to participate in and be eligible to receive the Purchase Price and Accrued Interest Payment pursuant to the Offer, Eligible Holders must validly tender their Notes for purchase by delivering, or arranging to have delivered on their behalf, a valid Tender Instruction that is received by the Information and Tender Agent by the Expiration Deadline via the Clearing Systems, unless the Offer is extended, re-opened, amended and/or terminated as provided in the Offer to Purchase. A separate Tender Instruction must be submitted on behalf of each individual beneficial owner due to potential proration. Tender Instructions will be irrevocable once delivered in accordance with the terms of the Offer.

Subject to the terms and conditions contained in the Offer to Purchase, the Company is offering to purchase for cash an aggregate principal amount of the outstanding Notes validly tendered up to the Maximum Acceptance Amount (as defined below). The Company will determine, in its sole discretion, the aggregate principal amount of Notes (if any) that it will accept for purchase pursuant to the Offer. It is the current intention of the Company that the maximum acceptance amount (the “**Maximum Acceptance Amount**”) will be U.S.\$100,000,000, although the Company reserves the right, in its sole discretion, to accept significantly more than or significantly less than such amount, or to accept none of such Notes, for purchase pursuant to the Offer.

## **PURCHASE PRICE AND ACCRUED INTEREST PAYMENT**

The purchase price payable to the Eligible Holders whose Notes are accepted for purchase will be equal to U.S.\$1,000 for each U.S.\$1,000 in principal amount of the Notes. In addition, Eligible Holders whose Notes are accepted for purchase pursuant to the Offer will also receive accrued and unpaid interest on the principal amount of all Notes accepted for purchase pursuant to the Offer from and including the last interest payment date of 25 July 2020 up to, but excluding, the Settlement Date calculated in accordance with the Indenture. No tenders of the Notes will be valid if received by the Information and Tender Agent after the Expiration Deadline.

## **PRORATION**

If the aggregate principal amount of the Notes validly tendered is greater than the Maximum Acceptance Amount, the Company will accept tenders of the Notes for purchase on a pro rata basis such that the aggregate principal amount of the Notes accepted for purchase is no greater than the Maximum Acceptance Amount. Such pro rata application will be performed by accepting (in respect of each relevant Tender Instruction) that proportion of the Notes validly tendered which is equal to the Maximum Acceptance Amount divided by the aggregate principal amount in respect of all Notes validly tendered, subject to rounding and as described in the following paragraph.

In the event of any such proration, the Company will round downward, if necessary, to ensure all purchases of Notes will be in a minimum principal amount of U.S.\$200,000 and integral multiples of U.S.\$1,000 in excess thereof. However, the Company may elect to accept or reject such tender of the Notes in full if application of proration will otherwise result in either (i) the Company accepting the Notes from any Eligible Holder in a principal amount of less than U.S.\$200,000 or (ii) the principal amount of the Notes not purchased due to pro rata application being less than U.S.\$200,000. All Notes not accepted as a result of proration will be returned to the Eligible Holders.

## **SOURCE OF FUNDS**

The Company intends to finance the Offer with the proceeds from the issuance of the New Notes.

## **GENERAL**

The Offer will commence on 2 September 2020 and will expire at 4:00 p.m. (London time) on 9 September 2020, unless extended, reopened, amended and/or terminated as provided in the Offer to Purchase, in which case an announcement to that effect will be made by the Company. Although the Company has no present plans or arrangements to do so, the Company reserves the right to waive, amend, extend, terminate or withdraw the Offer and the terms and conditions thereof at any time, subject to applicable law.

The Company will announce the result of the Offer as soon as reasonably practicable after the Expiration Deadline.

The Notes purchased by the Company pursuant to the Offer will be cancelled and those Notes will not be re-issued or resold. The Notes that are not successfully tendered for purchase pursuant to the Offer will remain outstanding. Any Notes that remain outstanding after the Offer will continue to be the obligations of the Company. Holders of those outstanding Notes will continue to have all the rights associated with those Notes.

Whether or not the Offer is completed, the Company and its affiliates may, to the extent permitted by applicable law, continue to acquire, from time to time after the Offer, Notes other than pursuant to the Offer, including through open market repurchases, privately negotiated transactions, offers to purchase, exchange offers or otherwise, upon such terms and at such prices as they may determine. The Company may also redeem any outstanding Notes in accordance with their terms and conditions. In particular, Eligible Holders should note that pursuant to the terms of the Indenture, the Company may, at its option at any time prior to 25 January 2021, redeem the Notes, in whole but not in part, at a redemption price equal to 100 per cent. of the principal amount of the Notes plus the Applicable Premium (as defined in the Indenture) as of, and accrued and unpaid interest, if any, to (but excluding) the relevant redemption date.

The Company will from time to time issue announcements in respect of the progress of the Offer as and when necessary pursuant to the Listing Rules and other relevant rules and regulations.

## SETTLEMENT DATE

The Settlement Date for the Offer is currently expected to be 11 September 2020, subject to the right of the Company to extend, re-open, amend and/or terminate the Offer.

## RATIONALE FOR THE OFFER

The Offer is being made as part of the Company's efforts to proactively manage its balance sheet liabilities and optimize its debt structure.

## NEW NOTES AND NEW FINANCING CONDITION

The Company announced on 2 September 2020 the proposed issue of U.S. dollar denominated fixed rate senior notes (the "**New Notes**"), in minimum denominations of U.S.\$200,000. The Company may decide, at its sole discretion, not to proceed with the issue of New Notes for any reason.

The Company is not under any obligation to accept for purchase any Notes tendered pursuant to the Offer. The acceptance for purchase by the Company of Notes validly tendered pursuant to the Offer is at the sole discretion of the Company and tenders may be rejected by the Company for any reason. The purchase of any Notes by the Company pursuant to the Offer is subject (unless such condition is waived by the Company in its sole and absolute discretion), without limitation, to the Company being satisfied that it will have received on or prior to the Settlement Date an amount by way of proceeds of the issue of New Notes, which is sufficient (as determined by the Company at its sole discretion) in order to enable the Company, among other things, to finance, in whole or in part, the payment by it of the aggregate amount of the Purchase Price and the Accrued Interest Payment in respect of the Notes validly tendered and accepted by it for purchase pursuant to the Offer (the "**New Financing Condition**").

Any investment decision to purchase any New Notes should be made solely on the basis of the information contained in the relevant offering memorandum to be prepared in connection with the offering of the New Notes.

The New Notes are not being, and will not be, offered or sold in the United States. Securities may not be offered, sold or delivered in the United States absent registration under, or an exemption from the registration requirements of the U.S. Securities Act. The New Notes have not been, and will not be, registered under the U.S. Securities Act or the securities laws of any state or other jurisdiction of the United States and may not be offered, sold or delivered, directly or indirectly, within the United States.

No action has been or will be taken in any jurisdiction in relation to the New Notes to permit a public offering of securities.
